전주시 의료관광

전주시는 양한방통합치료로 차별화된 의료기술과 함께 한옥마을로 대표되는 풍부한 관광인프라를 통합한 온오프라인 통합 글로벌마케팅을 추진하고 있습니다. 외국인 환자를 위한 ICT융합의료관광플랫폼인 의료관광 앱을 통하여 실시간 해외 결제부터 해외 온라인상담과 비자,통역,픽업,관광,치료,귀국후 사후관리까지 온오프라인통합 원스톱 서비스로 고객중심의 서비스를 실현하겠습니다.

Jeonju City Medical Tour

Jeonju City is promoting on-offline integrated global marketing that integrates medical technology that is differentiated by integrated treatment for both oriental medicine and modern medical science and abundant tourism infrastructure represented by Hanok Village.

Through the medical tourism app, an ICT convergence medical tourism platform for foreign patients, we will realize customer-centered one-stop service from real-time overseas payment to overseas online consultation, visa, pick-up, tourism, treatment, and follow-up management after returning home.

전주시 관광

전주는 한민족 의식주의 전통을 고루 대변합니다. 한복과 한식, 한옥의 삼박자가 함께 하고 있습니다.
전주는 또한 세계적으로 각광받는 유네스코의 집약 관광도시이며 체험의 도시입니다.
판소리는 유네스코가 선정한 세계무형유산이고, 전주는 세계소리축제를 개최하는 판소리의 본고장입니다.
유네스코 세계기록유산 《조선왕조실록》도 빼놓을 수 없습니다.
임진왜란 당시 전주사고의 《조선왕조실록》이 유일하게 보존돼 오늘에 전하고 있습니다.
2012년에는 유네스코 음식창의 도시로 뽑혀, 한정식, 비빔밥, 막걸리 등 전주 먹거리는 세계인들을 사로 잡고 있습니다.
2020년에는 대한민국 국제관광 지역거점관광도시로 선정되어 외국인들이 꼭 가보고 싶은 국제관광도시가 되었습니다.

Jeonju City Tourism

Jeonju represents the traditions of Korean ritualism. Hanbok(traditional clothes), Korean food, and Hanok(Traditional Housing Form) are coexist.

Jeonju is also a world-renowned UNESCO intensive tourism city and a city of experience.

Pansori is a World Intangible Heritage Site selected by UNESCO, and Jeonju is the home of Pansori, which hosts the World Sound Festival.

<<The Annals of the Joseon Dynasty>>, a UNESCO World Heritage Site, cannot be omitted.

<<The Annals of the Joseon Dynasty>> of Jeonju historial library during the Japanese Invasion of Korea in 1592, were the only ones preserved and delivered today.

In 2012, it was selected as the UNESCO City of Food Creation, and Jeonju food such as Korean table d'hote, bibimbap, and makgeolli(traditional liquor) are captivating people around the world over the world.

In 2020, it was selected as the hub of Korea's international tourism region and became an international tourism city that foreigners want to visit.

전주시 양한방통합 특화의료기술

GUIDE LINE FOR VISITING DESIGN HOSPITAL

If you are seeing this page, we assume that you are planning to visit Jeonju-city, South Korea for medical trip.
DESIGN Hospital provides assistance for medical tour visa as we are certified clinic from the Korean government.

1. Research VISA Information

For most countries, visiting Korea for travel is granted for 90 days of stay. However, if you are from certain countries the VISA application should be done in advance.

Target group for visa issuance (C-3-3, G-1-10 VISA)

Those wishing to be hospitalized at specialized medical clinics or rehabilitation facilities for treatment of diseases and disorders, or for recuperation purposes, and for cases requiring treatment periods of 91 days or longer.

The patient and members of the patient's immediate family, including patient's spouse to help provide care and patient's children

(Duration of stay is one year; multiple-entry visa is effective for one year)

C-3 (M): For cases where the period of treatment and travel is 90 days or less (Simple procedures, e.g., cosmetic procedures, including plastic surgery, etc.)

G-1 (M): One year (i.e., long-term treatment and rehabilitation)

We will help you fill the forms that are required for the VISA application. Please let us know in advance if you are applying for medical tour VISA.

Please be aware that most of our surgical procedure done at our clinic does not require hospitality and stay less than 90 days.

2. Book Flight Ticket

After you complete the VISA application, you will have to book your flight ticket to Korea. *Flight ticket and hotel accommodation is not included in the medical service, it should be paid by the patient* Please be reminded that if you are coming from overseas, you will have to land in Incheon Airport.

Before you book your flight ticket, please let our consultant know which date you would like to visit our hospital.

Our clinic opens from Monday to Saturday and close on Sunday. The opening hour is between 8:30am to 5:30pm (except Saturday: 8:30am to 12:30pm).

Once you finish booking your flight ticket, our consultant will send you a fill-out form for appointment confirmation.

3. Visit Korea with Our Concierge Service

Our duty is to make your trip to Korea with comfort.

When you arrive at the Incheon airport on the day that you've informed us, our staff will pick you up from the airport and help you lead your way to the hospital and hotel.

For most cases, patient who visits Korea early in the morning and proceed straight to consultation and surgery.

However, if patient visits Korea during the evening or late at night, consultation and surgery will be held the very next day.

4. Aftercare After The Surgery

The average stay for patient in Korea is 3 days – 1 week. Therefore, patients are required to visit our hospital for the follow up care.

Our staff will perform all the follow up care until the last day – where we teach you how to do the after care by yourself.

After then, we will keep track of your condition and progress via email, call, or messenger app.
